Dear Commissioners:

The following italicized paragraph is a copy of the letter that I mailed to the Planning department at the beginning of December, 2007.

The very pleasant and helpful woman that I spoke to in your office suggested that I send a copy to you as nothing as yet has been done by the Planning department about this matter. I still do not feel comfortable leaving my name at this time, but will call in a week's time to see what action has been taken if any

I told

— this man if he wanted to remain

anon. I would sign the complaint

*Please investigate the property at 1993 Pleasant View Drive in Victor. They have put up a second residence without a proper subdivision. Thank-You.*

I realize how busy your department must be and I thank-you very much in advance for your attention to this matter.

G.W.

Sincerely: A concerned neighbor.
